

King Arthur Hotel Access Statement

Transport & Location

There is a tarmac surfaced car park with three allocated bays for blue badge holders. From these bays there is a wide, sloping path leading to our ground floor accommodation & function suite.

Cars may be brought near to the main entrance for dropping off and picking up.

There is a bus stop opposite the hotel. Local taxi details are available at reception.

The car park is well lit at night.

Main entrance & Reception

Access to the main hotel entrance is by a small concrete ramp.

The main doors are manually operated and the door handles are at a medium height.

Porter service is available to assist guests with luggage.

Reception is close to the main entrance with level carpeted access.

There are accessible toilets on the ground floor.

There is an accessible unisex toilet adapted for wheelchair users near reception.

There is a public payphone at a sensible height near reception.

Other public Areas

There is a ground floor level throughout the reception, restaurant and bars with no steps.

The furniture in the bars and restaurant are moveable.

Table service is available in the restaurant. Breakfast involves some self-service, however a member of staff will be available on request for table service.

Menus are available in large print.

The function suite is equipped with a loop system. There is a unisex toilet adapted for wheel chair users.

There is a level access to the main entrance of the function suite.

All fire exits can be clearly identified.

Accommodation

All of our bedrooms are en-suite with a bath & shower. Six rooms are on the ground floor, three of which have doors wide enough for wheelchair access. All bedroom doors have lever handles.

Assistance dogs are welcome

All door handles are at a sensible height, as are the light switches and power points.

Room information is clearly displayed

There is a telephone and a remote-controlled television in each room.

The bedrooms have carpet flooring and the bathrooms are tiled.
