“A huge thank you for being in a great place to visit all the beaches, Rhossili, Caswell, Langland Bay, Bracelet Bay – and Mumbles of course. And thank you for the wildlife, never seen so many sparrows, blackbirds and of course thrushes. A positive haven. And the weather? SCORCHIO!

“Wonderful part of the country to visit – great beaches everywhere. Lots of space in this house for us all to relax.

“Thank you so much, just what we needed, a real home from home. Thanks for the butcher recommendation. Lamb steaks are beautiful!

“The house is really great, a real home from home experience. Would love to come again. Lovely things to keep my two kids happy. Many thanks.

“We had a fab week here. The house is fantastic. The children loved the toys and games and the adults just enjoyed being away from home (in a home from home). Thanks.

“We had a great two weeks here in the Gower. What a great place with lots to see and do and the house is so well situated for everything. Great house and great place. Thank you.

“This will be the 6th time we have stayed here, that should tell you everything! It is a great family home and there is always someone at hand when you need someone. As usual the Gower is the best place in the world to live.

“We have had a wonderful weekend break in this lovely spacious family house. Our daughter competed in the Welsh National Swimming Competition and between races we enjoyed the beautiful weather. Walks on the stunning beach, ice creams at Joe's and dinner in Mumbles. Hard to fault it!
