

Mercure Swansea Access Statement

We have reviewed and audited all of our hotels in the UK against pre-defined set criteria. We have identified where our properties need to be upgraded and modified to meet the needs of our disabled guests.

At Mercure Swansea Hotel we are committed to ensuring that all areas of the hotel, where possible are available to members of the public and particular attention has been paid to the DDA. All public areas within the hotel are located on the ground floor and have easy access.
