CROESO/ WELCOME

Steeped in history, The King Arthur Hotel is a charming and friendly family run country inn located in the heart of the stunning Gower countryside. Join us in our cosy bar for a pint of local ale, sample some of the seasonal Welsh cuisine from our menu or stay overnight in our comfortable accommodation.

Nestled under Cefn Bryn in the pretty village of Reynoldston, the King Arthur Hotel is the ideal spot to discover what Gower and the surrounding area has to offer.

Famous for its stunning scenery, Gower is the perfect setting for walkers looking to explore the rugged, dramatic coastline and surfers looking to catch some waves at one of the many award winning sandy beaches. Those looking for a more relaxing break can sit by our log fires and watch the wild animals graze on the village green.

Food & Drink

Join us for breakfast, lunch or dinner served in our stylish restaurant, Gower room, main bar and garden. Our menu offers a wonderful range of dishes to satisfy every palate. Using locally sourced Welsh produce, our fresh weekly specials include seasonal game and fish. Whilst our bar menu offers a selection of mouth watering pub classics and lighter snacks.

There's a wonderful character and inviting atmosphere to the bar with it's traditional beams, real log fire and quirky artifacts. On tap you'll find five cask conditioned ales alongside a wide range of gins, whiskies, Welsh liqueurs and spirits.

We offer a wide range of wines by the glass or the bottle, all hand selected with an excellent balance between value and quality.
