# Directions To Your Cottage

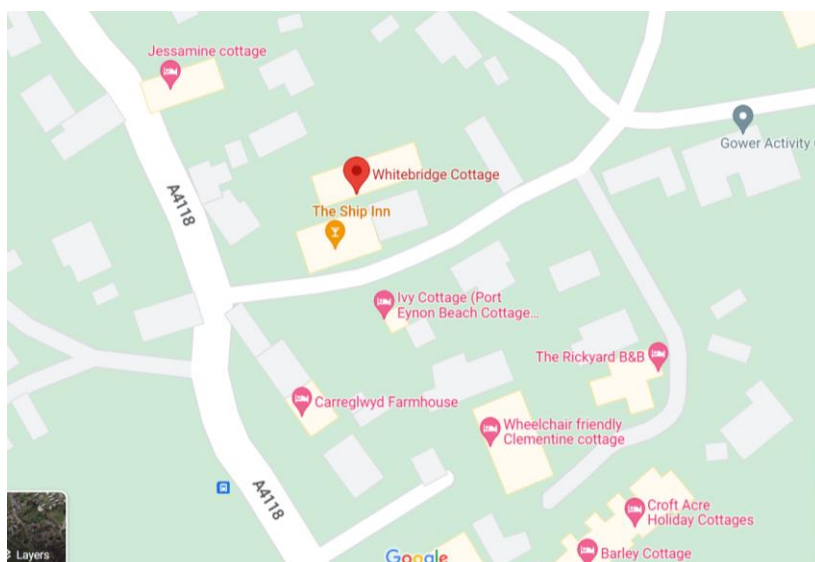

**Arrival Time – Please remember access to the property is from 3.00pm. If you arrive a little early, there is ample village parking if you want to stretch your legs in the local area.**

Guests with satnav or google maps please enter Whitebridge Cottage, Beynon Court, Port Eynon, SA3 1NL to find the location. Please note the location on google maps is correct, however the road directions take you past the cottage to the next turning. Please note the final directions below when you enter the village.

Or alternatively -

Leave the M4 at J42 and proceed along the dual carriageway (A483) into Swansea, past the SA1 development, Sainsburys on the left, through several sets of lights, past the leisure centre (LC2) and the County Hall on the left, follow the dual carriageway road with Swansea Bay immediately on your left. The road becomes Oystermouth road and then Mules road (A4607) and you are heading towards Mumbles. Past the university and Singleton Hospital on your right, playing fields on your right. Then with Blackpill lido on the left and the Woodman pub on the right, take the right filter at the traffic lights and turn right up Mayals Road. Continue up the tree lined hill, across Clyne Common at the top, past the villages of Murton and Bishopston and through Kittle. Approximately ½ mile after Kittle turn right (Pennard Church in front of you), along Vennaway Lane which comes to a T junction after half a mile. Turn left onto the A4118 South Gower Road and proceed through Parkmill, Penmaen, Nicholaston, Perriswood, Knelston and Scurlage to the end of the A4118 terminating in Port Eynon.

**Once you have descended into the village just past the Church the road bears to the right. After 50 yards you will first see (on your right) the cottage name for The Old Rectory. Directly opposite you will see a setback courtyard, this is Beynon Court. Behind the gate you will see two cottages, Whitebridge Cottage is the white cottage on the righthand side.**

**There is private parking for two cars. Drive past the cottage to the rear and park adjacent to the cottage.**

**There are two spaces clearly marked.**

**\*If travelling by public transport please contact us if you need help with planning your journey\***

# Accessibility Statement

## **Arrival Time – Please remember access to the property is from 3.00 pm.**

Whitebridge Cottage is set back behind an electric gate.

Once you have reached the property, you can gain access via the pedestrian gate, walking past the cottage to the lockbox situated near the rear garden gate. Keys to the property and the fob for the electric gate are located in the lockbox. Codes will be given prior to your stay.

Use the fob, pointing towards the gate, press the left-hand button to open the gate. Be patient with the gate, please also note that sometimes you may need to press the button more than once. Please wait until the gate is fully open to enter. The gate will close automatically.

When there has been a power cut (infrequent and for short periods) the gate needs resetting. If you find that after pressing the fob the gate opens just a few inches and then closes immediately and continues to do so – almost like a magnetic pull back – it means we have had a power cut. To reset the system there is a large red/yellow switch to the side of the gates circuit box. Switch off, wait ten seconds and then switch on again. The gate should then open as normal using the fob. **PLEASE DO NOT TRY TO FORCE THE GATE OPEN.** If in doubt please call – 07943780251.

We do have other measures in place such as a battery installed in the circuit box which helps run the gate during a power cut, so this should be the last resort.

Drive past the cottage, you will find space for two cars to be parked adjacent to the cottage, please see the signed parking bays. Cars should NOT be parked anywhere else in the courtyard or in front of the cottage.

Access is gained through the front door. There is a small step to enter the cottage. The ground floor consists of cloakroom toilet, living room, kitchen and utility room all on a level floor.

Stairs in the hallway lead to the first-floor bedrooms (one with ensuite) and family bathroom.

The private patio and garden area can be accessed via the side gate from the parking area, the utility room or one of the two pairs of patio doors from the kitchen and living room.

**Please note your neighbours who live in The Arches (the brown stone cottage) are residents in the village. Please be respectful of your neighbours and ensure you park using your allocated parking spaces only and ensure that the gates remain closed after use, for safety and privacy. Many thanks for your help and consideration with this.**

# Inventory

**To enable you to plan for your trip; here is a summary of what you will find in the cottage.**

# Need to know – Part 1

**Please note the information in the section on local amenities in relation to food stores and eating options.**

## **Heating**

Heating and hot water is supplied from an Air Source Heat Pump. Hot water is supplied on demand and heating controls are pre-set and fixed.

Heating is supplied by under floor heating throughout the entire house. You will find thermostats located in the living room and the upstairs landing which will adjust the temperature downstairs and upstairs. They are separate systems and therefore require separate thermostats. Please note the remaining thermostats in all other rooms are disconnected.

If the temperature is not warm enough, you can increase this by increasing the setting on one of the two thermostats. By pressing the on button, the LED display will display the current temperature. By using the LED arrows, you can change the temperature as required. This will increase/decrease the temperature for the current period only, which will revert to the pre-set levels for the next timed period.

The hot water will automatically continue to be supplied on demand even when the heating is switched off.

Towel radiators are located in each bathroom.

The wood burner is an efficient form of heating. A first basket of wood, kindling, fire starters and matches are available. To light the wood burner, see the printed detailed instructions located in the cottage.

**Please remember that the body of the wood burner gets extremely hot once the fire is established and small children must be kept away at all times.**

## **Electrical Supply**

The electrical circuits have been installed and tested (last test December 2022) to the latest regulations. The fuse boards are located in the cupboard in the hallway just inside the front door.

The circuits are marked up by the fuse board.

If a single fuse or RCD trips, try resetting it by flicking it on. If it trips again identify the cause by unplugging any appliances recently plugged in. If the fuse will still not reset, please contact us.

If the trip goes during hours of darkness, there is emergency lighting on the landing and hallway (these can be used as hand held torches). In addition a torch can be found in the drawers next to the sink in the kitchen.

# Need to know – Part 2

## Refuse and Recycling

You will find in your kitchen the following bins.

1. Small food bin in the cupboard under the sink.
2. One black topped bin for general waste.
3. Four recycling bins marked up as (1) plastics (2) cardboard/paper (3) tins and (4) glass.
  1. Food waste can be collected in the bin under the sink, you will find liners in the cupboard. Once full these can be tied and transferred to the larger green food waste bin in the garden.
  2. General waste black bin – excluding food and the recycled items. Black bin liners can be found under the sink. Once full these tied bags can be transferred to the black bin in the garden, found in the plastic shed next to the gate.
  3. Recycling – Please find more details on what can be recycled on the following pages.
    - a. Clean plastic (as detailed in the following pages) can be placed directly into the bin in the kitchen. Once full this can be transferred to the pink plastic sack located in the garden.
    - b. Cardboard/paper recycling bin is lined with a green bag (more can be found under the kitchen sink). Place cardboard and paper items into this bin. Once full, these bags can be tied and placed in the large green bin, found in the plastic shed next to the gate.
    - c. Clean glass/tin (see details in the following pages)bins are also lined with a green bag. Place glass/tin items into these bins. Once full, these bags can be tied and placed in the large green bin, found in the plastic shed next to the gate. Same bin as the cardboard/paper.

**Please DO NOT place any loose items/objects into the bins (with the exception of the plastic bin).**

# Need to know – Part 3

## **Appliance Manuals**

The information you require is almost always online at the manufacturer's web site.

"Appliances Online" also have very good information on their web site at [ao.com](http://ao.com), including "how to use" videos.

For your reference the guest manual has quick guides in the following pages for the wood stove, fridge, dishwasher, oven, microwave, washing machine and hob.

## **WIFI**

WIFI is provided free of charge to guests. Passwords required can be found in the cottage located by the desk in the hallway.

Please be aware that improper or illegal use of this facility is strictly prohibited.

## **TV**

The TV in Whitebridge Cottage is a smart TV. For TV instructions press the blue home button. Use the up/down arrows to scroll to settings. Use left/right arrows to scroll to manuals. Scroll to the support required.

# Pets

## **Pets**

Pets are welcome by arrangement. Please observe the following.

- Please keep pets off furniture and beds.
- Please keep pets downstairs. Use the stair gate provided or closed in the kitchen area.
- If there is an accident or your pet causes any damage, please let us know before you leave.
- Please make sure you pick up all waste from the driveway or garden in a plastic bag and dispose of in one of the dog waste bins placed around the village. There are poo bags available in the cupboard under the sink if required.
- Please do not wash your pets in the bathrooms, there is an outdoor tap for this purpose.
- Please do not use the guest towels for your pets, there is a small basket of towels for pet use only.
- There is normally a supplement per week or part week for each pet to cover extra cleaning costs.
- The cottage has its own gated garden for your convenience. Please be mindful of your surrounding neighbours and keep your pet's noise to a minimum.
- The Ship Inn & The Smugglers are both pet friendly.
- You are situated perfectly for long walks along the coastal paths or along Port Eynon Beach. Dogs are welcome on the beach from the 1<sup>st</sup> October until the 30<sup>th</sup> April. During the summer months dogs are welcome at the far side of the beach (Horton) which can be accessed using the dunes at the back of the beach or as you access the beach from Port Eynon, dogs are welcome to the right of the Lifeguards hut. Long walks can also be taken across the dunes, behind the beach. If unsure please see the website <https://www.swansea.gov.uk/dogsonbeaches>
- Please note during spring & summer Adders are common (but rarely seen) in the long grass surrounding the dunes, please be mindful when walking with small children or pets.

# Safety Information – Part 1

## **Please Note –**

There is a **torch and basic medical kit** in the drawers next to the kitchen sink. The emergency lighting on the landing and in the hallway can also be used as torches.

**Fire blankets** can also be found here – please notify us if these are used in the event of a small fire.

The **stopcock** is located under the sink.

**Fuse boards** can be found in the cupboard in the hallway, just inside the front door.

## **Fire Escape Routes and Evacuation Plan**

The cottage is equipped with hard-wired heat, smoke, and carbon monoxide alarms. If one or both are activated, or a fire is discovered evacuate the building immediately and notify us. Do not stop to gather any belongings. Assemble in the driveway well away from the buildings and any danger from fire.

The primary evacuation route is via the main entrance door, but where this is not accessible, use the patio doors from the kitchen or living room.

There are fire blankets in the kitchen area, but this is only suitable for small scale fires and in general the first priority must be evacuation of all persons.

**Please note our what3words for location of the cottage. These are EXPLORES.AMPLIFIED.INSTRUCTS. These will help the emergency services find your location and can be found on the Fire Action Notice located at the front and rear entrances of the cottage.**

**Please note that these are Non-smoking properties. This includes E-Cigarettes/Vapes.**

**The use of candles (any kind) is also prohibited.**

## **Children and Safety**

- Please mind the steps.
- Some upstairs windows open fully.
- Cot, highchair and stair gate can be provided.
- The wood burner gets very hot.
- There are neighbours with cars next door.
- The cords on blinds can be a hazard for toddlers.
- Please close the main gate and pedestrian gate when exiting the property.

- **Orange/EE is the only mobile network with reception in Port Eynon.**

In an emergency if you do not have a mobile signal. Use the phones in The Ship, The Smugglers or the public phone on the roundabout . If in doubt please ask. 0794 3780251.

# Safety Information – Part 2

## **Insurance**

We carry full Public Liability insurance to protect our guests and a copy of the policy is available if required. However, we do not cover guest's personal property and effects of theft, loss, or damage in whatever form and however caused.

You should check your own household policy to ensure you are covered for personal possessions away from the home, and if you are not then you need to take out a holiday/travel policy as you would if you were going abroad.

We sincerely hope that the need to make a claim does not arise, but we do advise you to ensure that you have the appropriate insurance cover during your stay with us.

## **Breakages & Accidents**

Please report breakages, accidental damage to furniture and kitchen equipment, spillages on carpets and spillages or accidental soiling of bed linen and mattresses.

You are unlikely to be charged, but we do need to know so we can repair, replace and renew for future guests.

Please notify us before your departure morning.

Honesty is the best policy and we will appreciate it.

Many Thanks.

# Important Contacts – Part 1

## **IN CASE OF EMERGENCY**

If you have a real emergency use the emergency services **DIAL 999** but let us know as well, perhaps we can help.

**Mountain Rescue Tel: Dial 999 or 112, then ask for 'Police' then 'Mountain Rescue'.**

### **Make a note of all relevant details:**

- Location (with a grid reference if possible)
- Name, gender and age of casualty
- Nature of injuries or emergency
- Number of people in the party
- Your mobile phone number

Give all your prepared details of the incident and **STAY WHERE YOU ARE** until contacted by the rescue team. If you have to make a further 999 call, follow this procedure in full again.

If you have hearing or speech difficulties, you can contact the 999 emergency services by text. You will only be able to use this service if you are registered with emergency SMS first, so register now — don't wait for an emergency! Text 'register' to 999 then follow the instructions sent. In an emergency, contact the emergency SMS service by texting 999. Your message should include 'Police' + details of incident + location.

**Coastguard Tel: Dial 999 or 112, then ask for 'Police' then 'Coastguard'.**

If you have hearing or speech difficulties, you can contact the 999 emergency services by text. # Local Amenities – Part 1

**Location:**

The Cottage is situated just 200m from the beach and walking distance to all the local amenities including pub, restaurant, takeaways to suit all the family, a coffee shop, surf shop and general stores for provisions.

Port Eynon is the most southerly point of the Gower peninsula and surrounded by stunning coast and countryside vistas - there is nothing like the view over the village with the sea stretching to the horizon as you begin your descent down into Port Eynon via the winding lane. The former fishing village is a popular beach resort and although there is no port as the name suggests, it was once dominated by oyster fishing and the remains of the oyster pools and old harbour can be seen at low tide. The Blue Flag beach is backed by magnificent sand dunes to stretch your legs. Walking to the west, the Salt House ruins at the headland are a favourite walking destination and were once used by smugglers, whilst to the east you will find Horton or for those with more energy the beach provides direct access to the coastal path.

**Food supplies:**

In Port Eynon there are local shops on the camp sites (Highfield Caravan Park has a well-stocked shop) and mini markets at Surlage and Knelston garage, both of which have a wide variety of produce including fresh bread, milk and newspapers. Tesco and Sainsbury deliver to the area and you are advised to take advantage of this facility. Use the post code SA3 1NL.

During the summer months there are often local produce markets held at the Gower Heritage Centre, The Gower Market held in Three Crosses and there's also a farmers market in Mumbles - but please check their website or Facebook pages for further details. Some of the farms you pass through also have vegetables or fruit picking options during the summer months.

Another favourite for guests who like to barbecue or just really like a good bacon sandwich! Gower Coast Meat – Butchers in LLanmorlais.

# Local Amenities – Part 2

**Eating Options:** The Ship Inn is our local pub where you can enjoy food and drink and not have to worry about driving home! The pub is both child and dog friendly.

There are also two fish and chip shops on the sea front. The Captains Table and the Seafarer, offering food, cold drinks and breakfast options. The Smugglers Beach Bar & Kitchen has a great outdoor space for catching those last sun rays and food and alcoholic drinks are available.

The Beach House Surf & Coffee shop has a wide variety of coffees, teas and delicious cakes and sandwiches if you are looking for a little something between meals.

Ships Ahoy Fish & Chip Shop, Scurlage (Easter/Summer open times). Three Cliffs Campsite (a short car journey) has two vendors that visit during the peak holiday months which are also great alternatives. Food Anarchy and The Gower Dough co. Please check their Facebook pages.

And let's not forget ice cream! Try one of the many ice cream flavours down the front or buy a tub of Joe's or Gower Gelato – made right here in Wales.

Further afield there are more restaurants and pubs in The Gower – please check our website.

<https://www.haelfarmcottages.co.uk/category/pubs-and-restaurants/>

\*From late October through to the start of Easter, some of the eateries at the front are closed. Please check with us before you visit if you would like further information.

**ATM'S:** The nearest free to use machines are in Mumbles or Killay. There are cash machines in Knelston Garage and Scurlage which charge for cash withdrawals.

**Post Office:** There is a post office in the village Reynoldston.

**Taxi:** There are two taxi firms, booking ahead is essential.

Mike's Taxis - 07970 523019/07854 374344 – local

Oyster Cabs - 01792 367777 – Mumbles & Swansea based (and will charge an additional call out fee to the Gower).

# Local Amenities – Part 3

**Bus Routes:**

Bus service runs from Port Eynon (115,117,118,119).

Gower Heritage Centre, Oxwich Bay, Three Cliffs Bay and Swansea can be reached from the village. Please check the noticeboard or online for further details.

**Cycle Repair:**

Essential Cycles – located at Gower Heritage Centre.

# Seasonal Activities & Events

I'm sure there are many more activities & events happening in the local community and surrounding area but here's a small summary of some of the things to look out for when visiting. Please check Websites or Facebook pages to confirm exact dates and timings or ask one of us!

- January - March      The start of the year is very quiet in the local community. A perfect time to visit to blow off the cobwebs or enjoy some early Spring sunshine if you are lucky. Regardless of the weather the cottages offer a perfect retreat from it all. Please remember as the "season" has not begun, some local eateries and stores will be closed. Please ensure you bring with you what you need or if you need any additional information please ask.
- March                      Easter Activity for the children at Poundffald Farm (Facebook@GowerFreshChristmasTrees) located in Three Crosses.
- April                        By now the local community and campsites are getting ready to receive guests. You will find more open for eating out, takeaways or topping up on supplies.
- RNLI lifeguards return to our beach.
- Gowers Farmers Market – was located in Scurlage, now found at Poundfflad Farm – which means they can open in any weather. Lots of amazing local produce to be found – be early to get what you need! (Facebook@GowerFarmersMarket)
- Horton Lifeboat Shop – our local RNLI lifeboat store – please visit and contribute a little to the great work they do.
- Adders! They really don't want to bother you and if they see you coming, they will happily slide away. Not often seen but they are around. Please take care when walking dogs or children through long grass areas – such as the dunes behind the beach.
- May                         April/May is a stunning time to be in the wooded areas in our local area. Blue Bells, wild garlic and much more to see. Areas around Parc Le Breos, Gower Heritage Centre, Bishopston Valley and the wooded walkway from Gower Heritage Centre to Three Cliffs Bay.
- June                         Gower PYO Strawberries (Facebook@GowerPickYourOwn), Scurlage Farm, Scurlage. Amazing strawberries, raspberries, picnic area, tea and homemade cakes – what more could you ask for. Open from early June to early September.

# Seasonal Activities & Events

- July
- King Arthur Hotel, Reynoldstone – An evening watching the Morris dancers to mark the Summer Solstice.
- Rhosili Sunflowers (Facebook@RhosiliSunflowers) – Through July and August. An amazing sight. Should also feature lavender fields from Summer 2023.
- Gower Triathlon / Gower Bike Ride / Iron Man – we have lots of local sporting events. You may want to stay with us to attend one of the many events. Please look out for planned road closures around these events.
- August
- Horton Life Boat Open Days – for the children (and adults). Pop over to see when they are holding their open days.

# Welcome Tray – Part 1

We thought you might like to know where you can find all the lovely goodies on your welcome tray!

**Gower Chocolates** – Currently changing hands – we hope to have more information in the future – or perhaps a different goodie on our tray.

## **Gower Brewery -**

Their story - Crafting ales of outstanding natural beauty in the heart of Gower, Wales since 2011, each handcrafted brew inspired by the wonder of hazy morning mist over the estuary, sea-kissed sand-filled vistas, clean surf and miles of rugged coastlines. As the Gower Peninsula was named the first area of outstanding natural beauty in the UK, we continually brew quality beers that echo the magnificence of the landscape around us. As a multi-award winning brewery, that's our heritage.

If you would like to drink one straight from the tap, The Ship Inn is your closest pub for trying the different brews, as are many of the pubs in the local area. I know that you can purchase cases of beer through their website and you can also find them locally in many of the local and larger chain food stores. If you are staying for a few days their delivery is normally the next day and you are very local to them whilst staying in the cottage. Please check with them first, you don't want your delivery arriving after you have left! Although I wouldn't mind 😊

You can also book guided tours of the brewery in Penclawdd (only available on a Friday evening).

## **Welsh Brew –**

Perhaps not as niche as our chocolates, coffee and marmalade. Everyone has their favourite tea and if yours is Welsh Brew or you have been converted during your stay, you can purchase in many of our local and large chain food stores.

## **Gower Coffee –**

Their story - Gower Coffee is all about slowing down; savouring. We cultivate tasty blends that echo the landscape and surf breaks around us.

Our blends are the taste of our land. Of coastal paths, salt air and sunrise surfs. We know what a privilege it is to live in our cosy corner of Wales. Our coffee aims to bring you that slow-morning-good-conversation-breathtaking-beach-feel in a mug.

# Welcome Tray – Part 2

Grown from our roots as Italian restaurateurs in the heart of Swansea, we know how important people and places are. For such a small peninsula, the Gower offers an incredible variety of surf breaks and landscapes; there is something to suit everyone.

We've echoed this in our range offering organic blends, whole beans and commercial packages.

In the cottage we have a small supply of the coffee capsules for your enjoyment. Check their website for every other kind of coffee! If you are in Swansea town centre don't miss out on sitting down and enjoying a cup @ Kardomah Restaurant, 11 Portland Street. You will also spot the coffee in local stores – we hope you enjoy your first coffee of the day!

## **Tan Y Castell Welsh Cakes –**

My favourite Welsh cake! You will see them in lots of places alongside other brands. Eat them hot or cold, plain or topped with jam. Personally, I eat them straight from the packet, normally on the way home from my weekly shop!

## **Welsh Lady Marmalade –**

Their story - Welsh Lady Preserves was established in 1966 in Pwllheli, North Wales. Founded by Dio and Marion Jones the company is now run by the second and third generations of the family- son John with his wife Carol and their daughter Hannah. Taste and quality are our number one priorities so much so that we have won a number of awards for various different products that we produce. This includes winning the Supreme Champion on two different occasions at the Great Taste Awards for our All Butter Lemon Curd and our Apple & Cinnamon Curd.

Our products are traditionally handmade, with carefully chosen ingredients, and cooked in copper-bottomed open boiling pans. Making it as close to homemade as possible for the best possible taste.

Look at their website for chutneys, preserves, marmalades, mustards, curds, jellies and much more. You can purchase online (sometimes a 3 jar minimum, check their website for more details). You can often find the Welsh Lady team at local markets and their products in local food and gift stores in the Gower, plus at least one large food chain.

# Checking out

## CHECK OUT PROCEDURE

We hope you enjoyed your stay!

**As a reminder, check-out is by 9.00am on the day that your booking ends.**

Exit Checklist prior to vacating the cottage –

1. Please strip used beds of duvet covers, sheets and pillowcases and place in the large green sacks (which can be found on your bathroom door) together with used towels and bath mats. **Please DO NOT remove the protectors from the pillows or beds.**
2. Tie up securely any remaining rubbish and place in the appropriate bin in the garden. Please do not put loose rubbish in the bins. If you have food waste from your small food bin (in the kitchen), please place this in the green bin outside your cottage.
3. Ensure any dirty crockery/utensils are placed in the dishwasher on a wash cycle before leaving the property.
4. Check all drawers to make sure you haven't left anything behind.
5. Make sure you have all personal belongings with you when you leave.
6. Please leave the cottage in the condition in which you found it.
7. Leave a note of any breakages. You will not normally be charged for these, but we do need to know so they can be replaced/fixed for future guests.
8. Please close windows and lock all doors (including patio doors). Ensure keys are left in doors and not in pockets!
- 9. Please return the main front door key and gate fob in the lockbox outside the property.**
10. Please drop us an email at [enquiries@haelfarmcottages.co.uk](mailto:enquiries@haelfarmcottages.co.uk) with a note of anything not entirely to your satisfaction together with any suggestions that could have improved your experience.

Have a safe journey home!
