

## **Bowstones Holiday Lets Access Statement**

Our Cottages are situated in a quiet location with easy access to the main roads, foot paths and bridleways.

Public transport is just 700 yards away and we have 1 car parking space per barn, located off road on an off road pea gravelled private area.

Access to each barn is on a level approach and each barn is accessed via standard doors.

Due to the age and construction of the buildings, they are not suited to wheelchair access, as the bathrooms are situated upstairs and all of the barns have showers.

Please see our website [www.gowerholidaysolutions.co.uk](http://www.gowerholidaysolutions.co.uk) for further details and pictures of our accommodation.
