

The Christmas Family Tree

To make your tree you will need:

A printer
Glue or sticky tape
Pens or pencils
Scissors
any other decorations you may like to add

Print off this page and make sure you have a grown up to help you to do the tricky bits.

First

Write your family Surname into the Star above e.g. Jones Family

Second

Write the names of your family in the baubles. So you can write your name in one, mummy and daddy's names in another two baubles and your nana and grandad in another two.

Third

Ask a grown up to cut around the tree, star and baubles.

Fourth

Stick your baubles to your tree

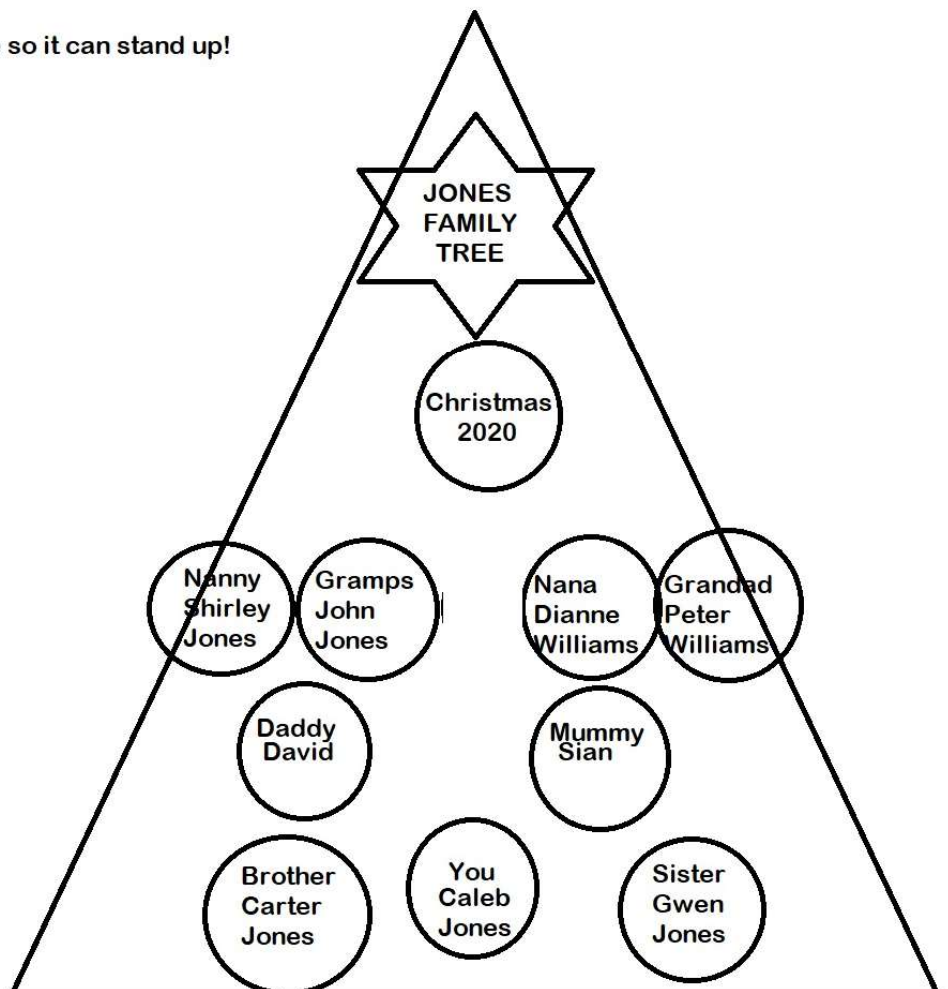

Fifth

Now add any other decorations you like. You could use some glitter or add more colour.

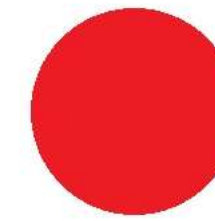

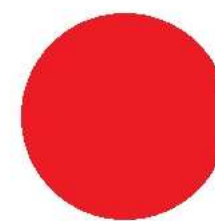

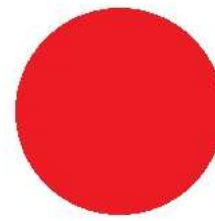

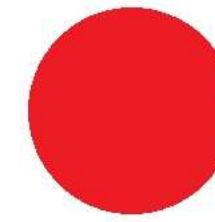

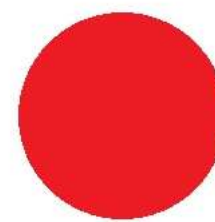

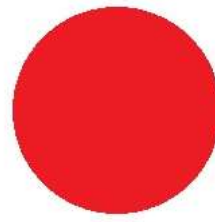

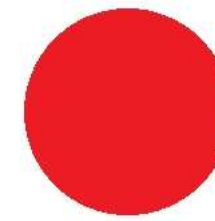

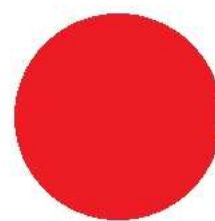

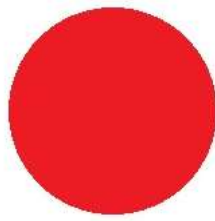

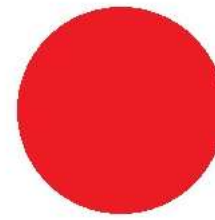

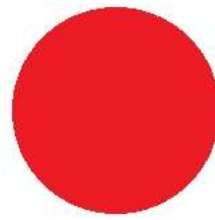

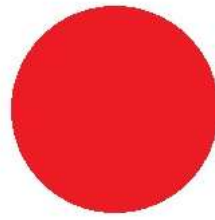

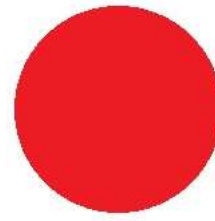

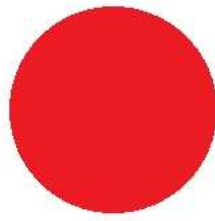

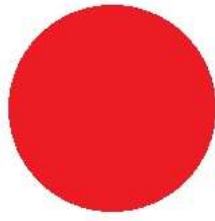

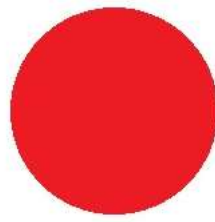

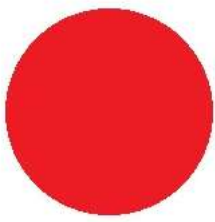

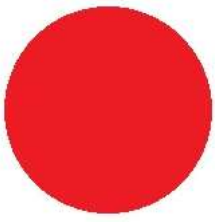

Sixth

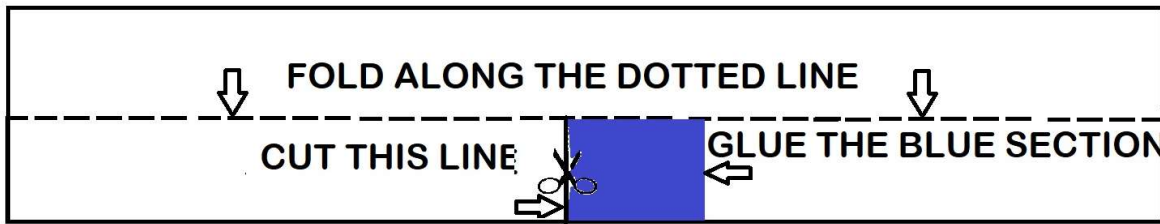

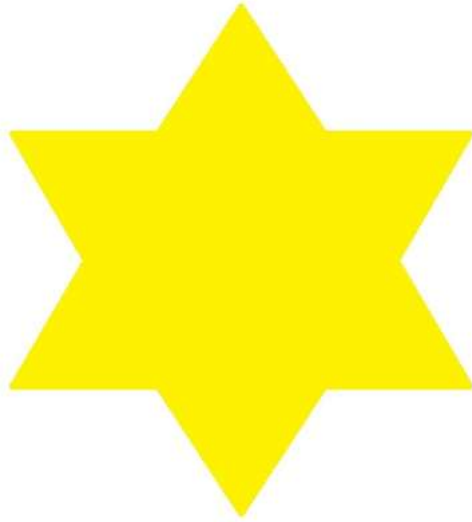

Now you need to glue the back to your tree so it can stand up!

Your tree can look however you want it to. Here is an idea:

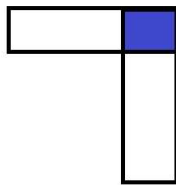

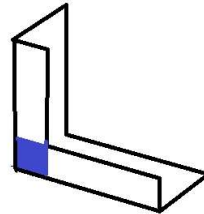

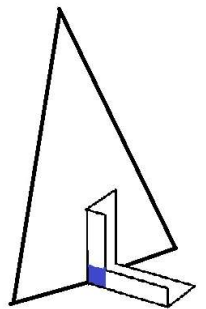

Fold A over B and stick with glue or tape

This is how it will look from above

This is the 3D view

Glue or stick your stand to your tree
